"Paddingtons" 49.⁰⁰ up—Saks Tailored 45.⁰⁰ up

BIG ulster-like coats for all outdoors, coats for semi-formal wear, medium-weight coats for the man who wants something between an ulster and a conservative Chesterfield. Every color, every fabric, and variety so extensive at each and every price that a man will find *the very coat* he has set his heart upon having *in a flash!*

Double Breasters with collars that lie flat or button snugly under the chin.

Double Breasters that are semi-fitted, with half belt in back, and quarter silk lining.

Big Burly Ulsters that are finer than any before shown in New York—and in clothing New York is America!

Smart Ulsterettes in double breasted effect, with muff and patch pockets.

Chesterfields with velvet collars that will find ready acceptance among conservative men.

Semi-Fitted Single Breasters that depend entirely upon expert needlework to achieve their individuality.

*In Fabrics the Choice Is as Wide
as in the Models!*

—soft, luxurious deep pile double-faced cloths, from Britain's foremost looms, Irish fleeces that are as warm and cosy as down, world-famous Montanacs, and smooth-finished cloths that are so beautifully woven they have the feel of velvet.

*In Color, Style and Fabric Saks & Company Are Ready
to Satisfy Your Overcoat Requirements*

—and no matter what you pay, the styling will be authentic, the tailoring masterfully executed, and your choosing will be done from the largest stocks of overcoats ever shown in America!
